

A CHANCE TO VOICE YOUR OPINIONS!

Calling all the moms with a baby under 12 months!

How did you learn about postpartum depression?

How much mental health support did you get from your healthcare provider?

What could they have done better?

Survey link: <https://www.surveymonkey.com/r/TTNLZS2>

Whether you have, are currently experiencing, or NEVER experienced symptoms of postpartum depression, take this ANONYMOUS 5-10 minute survey to help create a mom-centered future for the care and education of postpartum depression.

PLEASE SHARE with anyone who may be interested

You must be at least 18 years of age and not currently pregnant to participate

Any questions please reach out to Elizabeth at brittone@huntington.edu

The research project, *Healthcare Professionals Addressing Postpartum Depression: a Woman's Perspective*, has been approved by the Huntington University Institutional Review Board (IRB).
