## Email Template

**Subject Line:** Please support my fundraiser for the Strides of Hope Walkathon

**Body:**

Hi there Family and Friends,

I'm raising money for the Strides of Hope Walkathon to benefit A Hope Center, a nonprofit organization dedicated to providing life-transforming services related to pregnancy and sexual integrity.

I'm supporting the Strides of Hope Walkathon because I believe in their mission and the services they provide to women and men in Northeast Indiana.

Your donation WILL make a difference and ensure that services remain free to clients. Please consider supporting my campaign which ends on August 22nd by clicking on this [link](#) to my fundraising page.

Every amount helps! If you're unable to donate at this time, I'd appreciate it if you'd share my page on social media or forward this email to people in your network.

Thank you so much!

Best,
